

REMARKS

[0001] Applicant respectfully requests reconsideration and allowance of all of the claims of the application. Claims 1-22 are presently pending, of which claims 1, 7, 8, 11, 12, 14, 16, 17, 20, and 21 are amended.

Statement of Substance of Interview

[0002] The Examiner graciously talked with me—the undersigned representative for the Applicant—on May 17, 2007. Applicant greatly appreciates the Examiner’s willingness to talk. Such willingness is invaluable to both of us in our common goal of an expedited prosecution of this patent application.

[0003] During the interview, the Examiner agreed with the proposed amendment. Applicant herein amends the claims in the manner discussed during the interview. Accordingly, Applicant submits that the pending claims are allowable over the cited art of record for at least the reasons discussed during the interview.

Claim Amendments and Additions

[0004] Without conceding the propriety of the rejections herein and in the interest of expediting prosecution, Applicant amends claims 1, 7, 8, 11, 12, 14, 16, 17, 20, and 21 herein to recite a nesting structure. The support of the amendments can be found throughout the application, for example, Fig. 2 as well as Table I with the associated text.

[0005] Accordingly, no new matter will be introduced by the amendment. Entry is respectfully requested.

Claim Rejections under §§ 102 and/or 103

[0006] Claims 1-22 are rejected under 35 U.S.C. § 102 and/or § 103. In light of the amendments presented herein and the decisions/agreements reached during the above-discussed Examiner interview, Applicant submits that these rejections are moot. In particular, none of the references teaches the nesting structures recited in each of the independent claims. Accordingly, the withdrawal of these rejections is respectfully requested.

Conclusion

[0007] All pending claims are in condition for allowance. Applicant respectfully requests reconsideration and prompt issuance of the application. If any issues remain that prevent issuance of this application, the **Examiner is urged to contact me before issuing a subsequent Action.** Please call/email me or my assistant at your convenience.
